REMARKS

25X1

1. The HAGENOW (N 54/T 24) airfield was not occupied by aircraft. A Soviet Army unit whose soldiers wore red-bordered, black epaulets was stationed there.

25X1

being grown on the former landing field.

2. The northeastern section of the field, where hangars and barracks were located, was separated from the former landing field by a board fence. One of the two hangars served as storage space for motor vehicles. Four of the barracks buildings were in bad condition and unoccupied. The mentioned Soviet unit was quartered in the fifth barracks and in two cantonment buildings.

25X1

Comment: The occupation and condition of the former landing field have not changed in recent months. No indications as to an intended reconditioning of the airfield were observed.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
